Subject: Chapter 340 - Major Modification Fee Approval

Hi Megan,

DEQ proposes establishing a major modification fee of $8,982 for municipal stormwater phase one permits and $5,106 for underground injection control permits. The attached Fee Analysis includes the information DAS requests on the back of the attached Fee Approval and Fee Detail documents.

If you have questions or need additional fee-related information, please contact Chris Clipper by email or phone at 503-229-5656. When returning the signed Fee Approval Form, Part 1, please return it to DEQ, Attn: Chris Clipper, 811 SW Sixth Ave., Portland, OR, 97204-1390.

Megan, DEQ's best practice is to send DAS the fee approval forms about one month before we submit public notice to the Secretary of State on July 15, 2013. Would you let Chris know as soon as possible if there are any concerns about the proposed fees?

Thank you.
