Subject: RM-LROpnBrn: 2013 plan prep include this even though resources not over 100 hours?

Hi, Maggie-

For the exercise today, should I include Open Burning? I am including three of LRAPA's that are being handled by Jill, so I am including them due to the "combined amount is greater than 100." However, for this open burning, no one is indentified over 100 hours, but I don't think this should be left off, nor have I emailed to Kevin.

QUESTION: Include, or not to include?
