I've made some suggested edits to the text on the ACDP fee increase. Also, as I discussed with you, I'd like the announcements split. One for diesel and one for ACDP. Otherwise I approve.

Thanks,

Uri

Uri and Kevin,

By Sept. 20, please review and approve the email (here) describing our two temporary rulemakings going to EQC in October, including Kevin's and mine. I'll send the email to interested parties (via GovDelivery) once the staff reports are published online. The document is called GOVDELIVERY.TO.INTERESTED.PARTIES.Sept.27.2013.

Thanks,
Andrea
