Subject: Addendum to items E and F at October EQC

Joanie,

We're adding addendums and attachments to two EQC items, Item E (ACDP fees) and Item F (diesel grants). The attachments require Dick's signature. Katie asked me to send these to you to move through the director's office.

The addendums replace the EQC recommendation in the staff report for each item. The EQC recommendation in the addendum is identical to the recommendation in the staff report, except we added a bullet point asking the commission to adopt the justification for temporary rules in Attachment B. Attachment B duplicates information from the staff report, but its inclusion is recommended by DOJ to comply with statute for temporary rules.

Maggie suggested we provide the documents to commissioners at the meeting. Please let me know if you have questions, prefer to email documents to EQC beforehand, or need anything from me.

Thanks for your help,
