Subject: RM-DESLGRNT: Review of temporary rulemaking package
Date: Thursday, July 18, 2013 1:42:45 PM

Hello all,
This is a heads-up that I will be sending you a rule package for your review. This is for a temporary rule to accommodate the change in authorization for diesel grants provided by the passage of SB 249 in the 2013 legislative session. I will have a package for you to review by Monday July 22. If you can return it to me by July 31st that would be great. It is not complex but I am allowing this much time on your busy schedules to complete a review.

Based on comments received, I will make further changes and revisit the packet to you by August 2nd. In which case you will have until August 9th to respond. I expect no further reviews will be necessary beyond these.

Thanks for your time.
