Hi Koto

we are going to ER on Monday, the dry run was scheduled for Tuesday, was there a conflict?

Gene and I will be meeting with ER staff on 6/10, so we need to change the meeting date for EQC dry run. I hope this works for you.

Greg and Gene

I'd like to set up a dry run for the EQC meeting. Is half an hour enough? If full hour is needed we can try for Tuesday 6/11 from 1pm to 2pm.

Let me know. Thanks,
Koto
