Hi Koto,

I'll have to look around for some slides, but I can get this to you soon (today or early tomorrow morning).

Also, the materials are posted with the agenda now (item I): http://www.oregon.gov/deq/EQC/Pages/EQCAgendas2013/EQCJune2013Agenda.aspx

Thanks!

Hi Stephanie

Do you have some samples of EQC presentations where EQC is taking action? If you could direct me to a website, that would be great. I looked around a bit but could not find one.

Thank you for your help!
