Uri,

Please approve the staff reports for the three LRAPA rulemakings by Tuesday, Feb. 4. This will be quick and easy.

We received no comments on these rulemakings. Because there is no new information about these rulemakings, compared to what was approved for the public notice, please don't modify the staff reports except to correct typographical errors, and let me know if you're concerned about any of the content. 99% of these reports cannot be revised at this point.

The reports are in the Review category on SharePoint.

Thanks!
