Thanks, Andrea!

Merlyn plans to give the overview without PowerPoint as far as I know. Just let me know when you are ready to connect.

Wishing you the best of luck through the re-organization!

Regards-
Robbye

Thanks Robbye! We didn't receive any comments. I put the information in your report into our template for EQC.

For the EQC meeting, we ask that LRAPA (Merlyn?) give an overview to EQC about the LRAPA rules being added to the SIP. I don't know if Merlyn's already been asked by DEQ managers to do this, this is just what Margaret told me. I don't think a PowerPoint presentation is necessary. Let's connect in a couple weeks, once I have more information from my new manager.

DEQ's "re-organization" starts on Feb. 2. I'm no longer working directly with Margaret (she was my lead worker) and I'm getting a new manager. Big changes!

Andrea-

Hello- a few questions-

Did DEQ get any comments?

Attached is a rough draft of the Hearing's Officer Report, looks you need the final by 2/6/14?

Merlyn and perhaps myself plan to attend the EQC meeting in March. Is there anything you need from us at this time that I am missing or that you will need for the EQC packet that you do not have? Please let me know if we are missing something.

Hope you are having a great week. January is almost over!

Regards-
Robbye

Okay, Max is unable to attend but he is more of the technical person. I will make sure that it is on Merlyn's calendar and if for some reason he cannot attend I will be available to present. Thanks for squaring us up.

Robbye☺

Yes, we really want someone from LRAPA to present the item to the EQC. Let's square that away. I had thought Merlyn was attending EQC, but I might've confused that info with the hearing.

We haven't received any comments.

Andrea-

Is LRAPA staff required to be at the EQC meeting for this SIP incorporation? Also, have you received any comments?
