With regard to "I'm particularly interested in knowing if DEQ's instruction/request to EPA for this type of SIP revision is correct."…. let me know the pages this is on and I can take a look.

Robbye and Justin,

I compiled the draft SIP submittal for LRAPA open burning rules. Before submitting it to EPA, I'd like to give you both the chance to see if this looks correct. In Adobe, view "bookmarks" for easy navigation through the document. I'm particularly interested in knowing if DEQ's instruction/request to EPA for this type of SIP revision is correct.

Thanks,
