Paul,

I combined LRAPA documents for the 2008 Permit Streamlining rulemaking into a single PDF, attached. Let me know if you need more information to determine whether DEQ needs to re-notice the rulemaking.

Summary:

- Rulemaking and Hearing Notice:
  - 2008-07-23 Notice published in Register Guard. *I'm getting confirmation from LRAPA on whether notice was published in other newspapers.*
  - *I'm getting confirmation from LRAPA on notice issued to interested parties, including who, the date of notification, and the specific document people were provided*
- 2008-08-01 SOS Bulletin includes 340-200-0040
- 2008-08-27 Notice issued that LRAPA extended the comment deadline from 2008-09-02 to 2008-09-30. *I'm getting confirmation from LRAPA on who notice was issued to.*
- 2008-08-26 and 2008-09-09 Public hearings
- 2008-10-14 Adoption by LRAPA board
