Rule Publications,

Please review the staff reports for our LRAPA rulemakings.

The three rulemakings are scheduled for the March EQC meeting. They incorporate LRAPA rules into the Oregon State Implementation Plan, including rules for:

- Open burning
- Permit streamlining
- Permitting requirements

The three staff reports are in the Review category on SharePoint.

Please contact me before sending the reports to the commission. We need to attach a PDF to each one.

Thanks,
