Teresa,

Attached are the open burning rules in redline/strikeout, including the sticky-note changes adopted at the LRAPA board meeting.

Subject: Proposed Rule Request

Good morning,

I do get the email notifications and was able to get the proposed text, however I am wondering if you have a newer version that does not contain the sticky notes on pages 18 & 20. (See attachment)

Department of Environmental Quality Chapter 340
Rule Caption: Incorporate Lane Regional Air Protection Agency Rules for open burning into State Implementation Plan

Proposed Amendments: 340-200-0040

Thank you in advance.
