Robbye,

On the four LRAPA rules that DEQ is taking to the Environmental Quality Commission later this year, do you know who I should talk to at LRAPA for more information about fiscal impacts?

DEQ is preparing a "Fiscal and Economic Impact Statement" for each rulemaking. We'd like background on the fiscal analysis that LRAPA performed for each of the rulemakings, supplemental and supporting documentation of LRAPA's fiscal analysis, and information on the fiscal advisory committees LRAPA used for any of the rulemakings.

Thanks,
