Andrea,

Donna Deneen (Deneen.donna@epa.gov) is the contact for the permitting related rules and I think I am the one for the Open Burning rules.
I am not certain if she will remain as the contact/project lead on them. We should know a bit more in the coming weeks.

Justin,

I want to connect with the EPA project manager for the four LRAPA rules. The spreadsheet lists Deneen. Could you please send me that person's email address?

Thanks,
