Hey there –

Yes, we are recording it.

I soooo appreciate all this information! You are a rock star! I will send you an audio file of the hearing for your records. I posted a link to the rulemaking information on the LRAPA website about the hearing by modifying the notice you sent out. Lower right under Public Notices & Meetings. www.lrapa.org

Please let me know if any changes need to be made to that.

Second week of 2014 already! Hang on! Going to be a good one!

Best regards-
Robbye

Hi Robbye, Happy 2014! Yes, I have a script for you, and other materials if needed. You record hearings, right?

- Hearing officer script
- Attendance sheet
- Comments registration form
- Comment sign up – comment card
- Sign that the meeting is being recorded

Andrea-

Happy New Year!

I was wondering if you have an example of the language we need to use at the Public Hearing. Usually there is a script to follow and the ones I have here are all related to rules public hearings before our board - not a separate one like this one. I would greatly appreciate any guidance you can provide.

Thanks again for all the work you have done on this.

Regards-

Robbye Lanier
