Yes, I'm the contact for the rulemaking, at least for now. I don't know enough about the rulemaking yet to say whether the description is right. I'll let you know next week.

Hi Andrea,

LRAPA – PM2.5 and GHG

Oversee and coordinate 2011 PM2.5/GHG LRAPA rulemaking to ensure it meets state stringency requirements.

I documents were in a strange location and they were the blanks; therefore, I deleted them. I'll have Elle this up just like the rulemakings.

Are you the contact?

Is the description above right?

I'll be adding the LRAPA rules to the monthly report drop down.

Thank you!

Maggie

Maggie,

SharePoint is missing a section for documents for one rulemaking. I'm referring to the "documents" link on the left hand side of the rulemaking's SharePoint site. Please have our web folks add this for LRAPA - PM2.5 and GHG

Thanks,
