Lia B. says the page is accepting comments but is not consistently displaying them immediately after they are submitted. She thinks it is a DAS problem and is looking into it. She is going to put a note on the comment page to tell people this is happening. I just submitted a test comment and could see it immediately. I can also see Jennifer F's test comment.

Although I am not working, I must give you a heads up: Possible errors with online temp rulemaking comments page.

This came to my attention because several people "tagged" my name in their posts on Facebook.

Members of the Eastside Portland Air Coalition Facebook page have been sharing concerns about whether the online system is working properly.

Thanks.
Jennifer
