Andrea-

Here is the spreadsheet I made for the permitting contacts. Does this format work? One sheet has US Mail addresses and one sheet has emails.

Regards-
Robbye

Hi Robbye,

I'm working on the LRAPA rulemaking packages. The contacts I received from you (attached) don't contain information on my end. Could you try sending these again or in another format?

Thanks,
Andrea

Andrea-

Attached are the email lists I have for the permitting rulemaking email blast. I was able to attach my outlook lists. I will send a spreadsheet for the US mail hardcopy mail out. I am happy to help in any way needed.
