I've done a quick review, had some basic comments – nothing major. Would note there does seem to be a lot of blank fields or highlighted data needing updates still left in the document versions I reviewed.

Jim,

I'm relieved you'll have time to look over the LRAPA fiscals. Please review by close of business August 14.

There are three documents on SharePoint at
http://deqsps/programs/rulemaking/aq/lrapaSIP/docs/Forms/byCategory.aspx

- NOTICE-LRAPA.Industrial.Streamlining
- NOTICE-LRAPA.Open.Burning
- NOTICE-LRAPA.PM2.5.GHG

These Notice documents contain LRAPA's updated analysis.

Thanks,
