This is the screen I got after I submitted a test comment. I tried to refresh it but it stayed on this screen.

I haven't gotten any comments for a few days so that makes sense. People have been sending them to my own email. Thanks for the heads up, Jennifer!

Although I am not working, I must give you a heads up: Possible errors with online temp rulemaking comments page.

This came to my attention because several people "tagged" my name in their posts on Facebook.

Members of the Eastside Portland Air Coalition Facebook page have been sharing concerns about whether the online system is working properly.

Thanks.
Jennifer
