Hi Andrea,

It sounds like we may not need to do the DAS form since these are LRAPA fees and we are not a state agency….as per a conversation today w/ Margaret, Merlyn, Paul and others. I figure Margaret would have filled you in but wanted to get back to you on this.

Thanks,
Max

Hi Max and Robbye,

Thanks for working with DEQ's forms. We had our fiscal folks look over the LRAPA rulemakings and I spent some time editing the documents. While I'm not completely done, I'm leaving on vacation so I will send these two to you now for your further review and edits where needed. We have an additional accounting form for fees. I inserted the questions/sections into the attached documents in blue font. I'll be back August 26th. Max, please send me your feedback by the 23rd so I can work on these while you're on your own vacation.

Thanks,

Andrea Curtis
