Subject: RM:LRAPA - public notice

Maggie,

Margaret mentioned the conversation you and she had Tuesday evening about LRAPA's four rules DEQ will take to EQC.

When LRAPA performed the public notices for those rules, LRAPA noticed OAR Chapter 340 Division 200. DEQ's rules coordinator submitted the request for publication in the SOS bulletin.

With Paul Garrahan's help, we are reviewing LRAPA's packages and process to confirm whether LRAPA complied with legal notice requirements for OAR Chapter 340 rules. Paul says that if the public notices complied with the requirements, it is unlikely DEQ will need to perform public notice before going to EQC.
