Cory: Regarding the proposed rules, my only comment is that you need to correct the statutory references in the "Statutory Auth." and "Statutes Implemented" sections under each rule, where you are inserting the new ORS cite in place of the old cites to Oregon Laws. The document omits the "A" in the references to ORS chapter 468A. The cites should be to "ORS 468A.275."

My comments and suggested edits regarding the staff report are in redline on the attached document. Please let me know if you have any questions or would like to discuss them further.

David and Paul,

Attached are the draft staff report and proposed rules for the April temporary rulemaking. Also, here is a link to the memo that I posted on our webpage describing the rulemaking.

I will be out of the office for the rest of the week so if you can get me edits by Monday, that would be great. I will be checking my email today and tomorrow while I am in California.
