Subject: LRAPA Permitting Rules SIP revision submitted to EPA for approval

Justin, Paul and Merlyn,

DEQ is asking EPA to approve revisions to Oregon's State Implementation Plan regarding LRAPA's permitting rules. DEQ mailed the submittal dated Aug. 25, 2014 to EPA. This is your courtesy copy of the cover letter. I'm mailing an electronic copy of the submittal to Robbye. Let me know if you'd like me to also mail you an electronic copy of the submittal on a disc. The submittal is too large to attach to this email.

The Environmental Quality Commission adopted the revisions to Oregon's SIP in Mar. 2014. The revisions became effective Mar. 31, 2014. With these revisions, the SIP meets requirements of the Clean Air Act section 110.

Please let me know if you have questions.

Thank you,

Andrea Gartenbaum
