It is looking like 11:30 to 12:30. I will forward the calendar invite shortly.

We will be talking about the technical elements related to SILs and SMCs as related to the current ODEQ rulemaking and in the latter part discuss how these affect the LRAPA rules that are slated for submission in the coming weeks.

I have reserved the following conference line:
866.299.3188
Code 206.553.2770

Let me know if you have any questions.

Robbye/Andrea/Margaret,

Let me know if you have any time to chat tomorrow about the LRAPA submission that you are aiming to get to the EQC in September. Donna has been doing some research on the SILs / SMCs and wanted to share some information.

Donna is free from 9:30 -4 and I am looking free from 1-4pm.
Let us know what works and hopefully we can arrange for a discussion.

Justin
