Prior fiscal documents would be useful.

Jim,

I'm working on the fiscal analysis for the LRAPA rulemakings. You asked that we collect from LRAPA documentation of their fiscal analysis. In some cases, LRAPA states that they relied on DEQ's fiscal analysis from DEQ's rulemakings. In these cases, can we simply explain this in the fiscal, or do you need to see DEQ's supporting documentation of DEQ's analysis for the previous rulemakings?

Thanks,
