Good to know, Duane. I'm copying our rule coordinators and the person that places the orders on this email so they can add that to our procedures. Stephanie, I didn't see that on the order form so maybe it could be added?

Thank you!
Jill

No problem, Jill. One thing that would be helpful in the future is to make a note when you place your order that you would like confirmation in the form of a postal receipt. This isn't something that we normally do so a heads-up would help us get what you're looking for right away.
Thanks!
Have a great day and try to stay cool!

Hi Duane,

I haven't heard back from our rule coordinator but is there something more that you can send us regarding the job you mailed for us? The PDF plus the postage receipt? I don't even know what the possibilities are.

Thanks very much!
Jill

Andrea – do we need to get something from Duane other than this confirmation for our records? Maybe a PDF of what went out?
Thank you,
Jill
