Hi Maggie and Andrea,

I have incorporated most of your comments and Brian's comments in the Notice, Maggie. Are you done reviewing the Notice except for the long list of rules? Also do you know how to include the "stories" (NSR Program Discussion and Lakeview Sustainment Area) in the rulemaking package? Should they be included at the end of the Notice? Andrea mentioned including the crosswalk at the end of the Notice. I would like to wait until the last minute to do this (add the crosswalk) in case I find more corrections that are needed for the rules. I should be 99.9% done with the rules this week and will let you know when that is but I'm sure I'll be finding typos right up until the public notice period starts. Maybe I should just quit looking!

So…….Leah would like to know when she should review the Notice. She will not be reviewing the rules.

Thank you,
Jill
