Hi all,

More changes were made today to the draft rules and summary doc referenced below in Joe's email. There are lots of changes from the temp rule….

Paul, there are a couple of changes that I think need legal review: 244-9010(11)(c), use of an example in the rules, and 244-9020(1), reference to a date that precedes the effective date of the rules.

I've also worked out draft BLDS language and can drop that in if and when necessary.

Subject: working copies of art glass rule text & response to comments

Hi All,

George is working away at revising the text of the art glass rules, and he and I are working together on the response to comments. I plan to email the group around the end of next week to ask for a first-round review. In the meantime, if you'd like to see our working documents you can find them on Sharepoint here:
