I'll check the rest of the divisions and see how many there are total.

Jill,

If it is just a few rules then go ahead and include them. The SIP notes need to be accurate.

Thank you.

Maggie

I'm not sure yet. I went through 2 divisions and found a few rules.

Hi Maggie,
I am cleaning up all the SIP notes and changing Environmental Quality Commission to EQC.
Is it worth including a rule in this rulemaking package for that change alone?
Thanks,
Jill
