Another question, please, Maggie…..what do I put in the rules for the date of adoption, something like this? "[insert adoption date]"

Can the rules goes to the EQC like that and I'll just put the date in before they got o SOS?
Thank you,
Jill

Hi,

All rules are required to have section numbers. If we leave it out, Archives will put it in for us and we don't have to fight the numbers.

> If we submit
>
> "**Volatile organic compounds**" or "**VOC**" means any compound of carbon, excluding carbon monoxide, carbon dioxide, carbonic acid, metallic carbides or carbonates, and ammonium carbonate, that participates in atmospheric photochemical reactions.
> (a) This includes any such organic compound other than the following, which have been determined to have negligible photochemical reactivity:
> (A) methane;
> (B) ethane; ~
>
> SOS will publish:
> (185) "**Volatile organic compounds**" or "**VOC**" means a…

Hi Maggie and Andrea,

What is the possibility of me getting rid of the definition numbers in division 200 so I don't have to keep changing them every time we add one? EPA doesn't number their definitions.

Thoughts?
Thanks!
Jill
