I forgot about division 206, Maggie. I need:

340-206-8010
340-206-8020
340-206-8030
340-206-8040

And then on the footnote table: Tables referenced are available from the agency.

Do I just get rid of that footnote because they aren't "tables" any more?

Thank you!
Jill

Subject: RM-AQPerm: New Table Numbers

Hi Maggie,

I need a couple new table numbers please:

226-8010 (I previously asked for -8005 [not needed anymore] but noticed that Gregg Dahmen started the division 216 tables with 8010 so I will do the same)

236-8010

Thank you!
Jill
