Hi All,

I've written up draft minutes for the 2nd art glass fiscal advisory committee meeting, which took place on Friday 6/10.

You can review and comment by going to:
http://deqsps/programs/rulemaking/lq/airtoxics2016/docs/artglass2016%20ac%20meeting%20minutes%206-10-2016.docx

If you'd like to review, please give your input to me by noon next Monday, June 27th. I'm accepting comments via track changes mode, email, phone, or through text written on the bottom of a Sunbeam 4 quart ice cream maker with 49 Watt motorized crank and pine wood bucket.
