So far George, Keith and Greg have expressed interest in a meeting with Glass Alchemy if they want to discuss their comment.

I'll call Al Hooton and see if I can schedule a meeting.

Joe,
I just revised my calendar for Friday and have some time open to meet with GA. I'll be at HQ that day, too. 10:30 to 11 is ok, or 1:30 pm or later.
George

Subject: Glass Alchemy request for meeting re public comment on art glass rule

Hi All,

Glass Alchemy has requested a meeting with DEQ to discuss their public comment on the art glass rule.
(The comment they submitted can be viewed here:
https://data.oregon.gov/views/54i7-gnrh/files/fe330805-5c36-48a6-a17a-6466414f641e?filename=permanent+rule+public+comments+FINAL.pdf&content_type=application%2Fpdf)

I suggest that, time permitting, DEQ should offer to talk / meet with anyone who wants to discuss their comment. DEQ wouldn't respond but we could further understand the info & opinions they are presenting.

2 questions:

1. Is there anyone who feels we shouldn't offer to meet?
2. If I set up a meeting this week (before public comment closes on Friday pm) let me know if you would like to be invited. (Note: it's probably impossible to find a time when all could attend.)
