According to the Staff Report there was an ad published in the Oregonian, I just can't find the proof of this. It's not a big deal, it doesn't have to be submitted today and I still need to get Joni's signature. Below is a picture of the files in the public notice folder just for fun.

I can't remember for sure. Take a look in the rules development folder, under current plan, for this rulemaking, in the public notice folder. I'm not logged in there right now. Let me know what you find. Is Nancy there today? She might remember.

I'm working on putting together the SIP submittal package for Nancy's rulemaking and am wondering if it had newspaper ads. I didn't see any affidavits of publication in the public notice folder and I wanted to make sure that I didn't miss something. If there weren't any ads great, if there were, I need the affidavits.

Thanks.
