Thanks, Meyer!

I'll pass this on to Larry (copied here) so he can note the correction as part of the commisison's motion.

Thanks for the catch!

Stephanie,

There is an error in the rules attached to the staff report for this rulemaking EQC is voting on this afternoon.

In 340-200-0040(2), it says the Commission last adopted revisions to the State Implementation Plan on April 16, 2015. That date should be today, October 15, 2015.

I would think you could bring this to Larry Knudsen's and the Commissioner's attention and they could note that they are voting on the newer date, or handwrite in the date on any documents.

Contact me if there are any questions.
