Subject:	form for document review requests
Date:	Wednesday, February 01, 2017 10:50:19

As you are all aware due to my frequent nagging, communications, normally Matthew Van Sickle, must review documents that will be shown to the public. Communications has a form they want you to use when requesting document review. It has a blank to insert a link to a document so you should be able to just link to your SharePoint documents.

Here is the link to the communications form: \\deqhq1\DEQ Resources and Forms\PublicAffairsReview.xsn

Let me know if you have any questions.
