Subject: ballast2016 - advisory committee schedule
Date: Wednesday, December 02, 2015 11:02:06

Rian,

On the schedule template you had completed for this rulemaking it shows advisory committee meetings starting in February 2016. But it appears you are starting these meetings now. Am I correct that this schedule changed dramatically? If not, do you know why the original schedule document is wrong about the advisory committee meeting dates? Has the whole rulemaking schedule shifted?
