Thanks for the heads up Meyer.
I would like to make copies of a couple SRF rulemaking docs. I could do this by Thursday if you can wait that long.
I am writing a reminder to do this by Thursday and to let you know if I get it done before Thursday.

Now that your rulemakings are complete, I will shortly be having your SharePoint sites coped to archives and then deleted. If there are documents on the site you want to keep for future reference, or that you want copied to another SharePoint site, please let me know, and let me know when you have made your copies.
