Not a problem. I didn't know the process because I do this so rarely.

Hi Nancy,

Meyer asked if I could check in with you on this requisition number. This is one of the requisitions that I'd made in the Director's log before realizing I made the snafu with not starting the FY requisitions with 001. So we updated the FY19 log with 001 – 064 as "unused" and then kept the 065 – 069 that we'd created. Attached your email with the instructions we were supposed to follow.

So I think the OD-067-19 is correct. But happy to chat!

Stacy,

Nancy thinks the requisition number is wrong. Can you double check this?

Thanks.

Hi Meyer,
Thanks for the requisition.

I have a few notes for you:

- Can you double-check your requisition number (OD-067-19 ? I think this number should be a lot lower since requisition numbers started at 001 on July 1.
- Your contact information should be entered into the ***Deliver To*** field.
- The current AY (Appropriation Year) is 2019.
- Please make sure Mid Valley Media sends the bill for this ad to Delia Chadwick in the HQs Business Office @ 700 NE Multnomah St.

  FYI: Our old HQs address (811 SW 6th), is listed on the Ad Proof.
- Please let me know if you've already placed the ad or if you need me to send an advertising services request purchase order to the vendor.

Thanks and please let me know if you have any questions.

Nancy,

Attached is a requisition and the proof ad for a newspaper ad related to the Selmet Delisting Rulemaking. The Q time for that rulemaking is 45738. I routed the paper copies to you. Please let me know if there is anything else I need to do.

Thanks for your help.
