You only send them now to Collier or whoever is going to review it in his place.

When that person approves, send it to Lydia.

At that same time, you can also send it to the person in communications who is going to review it – Ken Armstrong?

You are only sending links now, so order of documents doesn't matter. In the final report, the order will be as you say. We can attach attachment letters when we send it to Stephanie Caldera.

Am I good to go on sending these docs to staff and managers?

In terms of listing the documents do I list them as:

- Staff Report
- Attachment A: Proposed Rules
- Attachment B: Crosswalk
- Attachment C: Interstate Transport Report

Do I do that now or wait until Stephanie assigns an Item number?
