Subject: air toxics temp 2016 - web page
Date: Thursday, April 14, 2016 15:16:19

I forgot we had created this page to accept comments on the temp rule:

- http://www.oregon.gov/deq/RulesandRegulations/Pages/2016/Rtoxics2016temp.aspx

It has the previous version of the rules and staff report posted. I can have those taken down. But do we want to post the current draft rules? Stephanie will post them when she has finished reviewing the staff report.
