Thank you so much for the help. I'm dealing with our finance office bureaucracy on my side.

Hi Meyer – Your account is set-up as a prepay, which means that we require payment before publishing. Attached, please find our credit application. I will need for you to fill it out and return it to me via e-mail. At that point, I will submit it to our credit department and they can establish credit terms for your organization. I will request $500/month which is way more than what is necessary. Just fill out the lower portion of the form from "Application for Credit" on down.

Please let me know if you have any questions or concerns.

Thanks and have a great day!

May Kay,

My finance department says that their normal procedure for buying newspaper ads is to submit a Purchase Order to you which gives you authorization to invoice DEQ after the ad runs. Are you able to work with that procedure? We apparently are not allowed to pay until after we receive proof the ad has run.

Thank you,
