Rules take legal effect when filed with Secretary of State, unless we specify a later date. The rules are filed electronically and I normally file them within 24 hours of EQC adoption.

Hi Meyer,

I have a process question for you. Assuming the EQC approves of the proposed delisting on November 15th, how soon after that meeting will Selmet's F006 delisting be final?

Please let me know if I should direct this question elsewhere.

Thanks,
Eileen
