Subject: Shaniko Lumber - 2387 Public Notice Approval

Good morning Brad,

I am working on getting the public notice out through a legal ad for Nancy regarding Shaniko Lumber with two separate papers to publish (Albany Democratic Herald, and Statesman Journal. We should be able to utilize Lynda's SPOTS card to pay the fees for this service. Nancy has provided Fund Code: 23-61680-34376-843400. With your approval I can move forward with posting the public notices. Thanks in advance!

So, far the Statesman is going to charge $303.56 for their services for a one day publication, still working on Albany Democratic Heralds price point.
