Subject:	air toxics temp 2016 - draft rules
Date:	Friday, April 15, 2016 09:23:14
Attachments:	image003.png

The draft rules are posted with the EQC package on the EQC page. I also had the staff report with draft rules and responses to comments posted on the web page for this temporary rulemaking in a slightly easier to use form. The pdf on the rulemaking web page has bookmarks to each document and opens with the bookmarks visible:

- Temporary rulemaking web page
- Staff report, rules, summary of comments
