Stephanie,

The revised staff report and rules are ready to go to EQC. They are on SharePoint here:

Thanks for getting these files to the commissioners and again, sorry for the last minute rush!

No worries – just send me a note when it's in and I'll prioritize. I do not have confirmation of availability for 4 p.m. from the commissioners for Thursday, so we obviously need to hold until we know they can be there!

Thank you, Jill.
