Hello, commissioners.

The meeting materials for next week are now available on the posted agenda – with an internal agenda attached for reference.

Link: http://www.oregon.gov/deq/EQC/Pages/EQCAgendas2016/20160420agenda.aspx

Please let me know if you have questions about the meeting content or other details. At this point, I have not scheduled pre-meeting calls with commissioners regarding the agenda, generally, though I understand some commissioners may meet with staff individually over the next few days to discuss specific items of interest. I am very happy to set up the more general briefing calls at your request – please let me know if you have a best day or time before Wednesday and I will make that work.

Thanks, and have a lovely evening.

- Stephanie
