I would be interested based on the history with the project. What is the required timeframe for the review?

Hi Jeff,

Were you interested in reviewing the IRAM report for former Johnson Oil site?

If so, please let me know and I'll send the shared drive folder link to you. If you don't have any interest or the bandwidth, that's okay, too. Katie's done with her review and I'm doing mine now.

Cheers,
